

Northeast Region 2020 “Road to Resilience”
December 10-11. ZOOM MEETING
5 continuing hours of education
Registration is free for all MCA members

During this time of uncertainty, resilience is a common theme. This program will consist of three sessions, via Zoom, that will provide strategies to help our clients cope with the pandemic, strategies to increase connections while helping clients in the virtual world gain a better understanding of wellness and resilience.

Dr. Seena Haines, University of Mississippi School of Pharmacy, and Dr. Angela Golson, Liberty University, will share technics and information that will be useful to counselors facing a new reality in the counseling profession.

To register go to the MCA website and drop down to Northeast Region’s Page for the registration form. If you are not a member MCA welcomes you to join. These virtual conferences that will be conducted by region leaders is free to MCA Members, regardless of which region you join.
